XUSH KELIBSIZ!

O'zbek oshxonasi Michelin darajasidagi taqdimot bilan hayratlantirishga intilmaydi. Uning kuchi — soddalik, saxovat va an'analarda bo'lib, asosiy e'tibor beqiyos ta'm, boy ifor va haqiqiy sharqona mehmondo'stlikka qaratilgan.

Sizga maroqli dam olish va unutilmas gastronomik taassurotlar tilaymiz!

ДОБРО ПОЖАЛОВАТЬ!

Узбекская кухня не стремится удивлять подачей уровня Michelin. Её сила — в простоте, щедрости и традициях, где главный акцент сделан на безупречный вкус, насыщенный аромат и настоящее восточное гостеприимство.

Желаем вам приятного отдыха и ярких гастрономических впечатлений!

WELCOME!

Uzbek cuisine does not seek to impress with Michelin-level presentation. Its true strength lies in simplicity, generosity, and tradition, where the main focus is on exceptional taste, rich aroma, and genuine Eastern hospitality.

We wish you a pleasant stay and a memorable culinary experience!
